Wolfson	136	<ul style="list-style-type: none"> • Hispanic: 64% • Black: 5% • White: 24% • Asian: 7% 	29%

School and Community

School for Advanced Studies (SAS) is a nationally recognized collegiate high school of excellence, a combined effort between Miami-Dade County Public Schools (MDCPS) and Miami Dade College (MDC). Applying during their sophomore year, students accepted to SAS complete their last two years of high school while simultaneously working on their Associates of Arts Degree. The opportunity to take various rigorous courses unavailable in traditional high schools and to accelerate their career path attracts motivated and academically talented students. SAS takes pride in its diverse student population, nurturing learning environment, and commitment in providing all students with a rich and rigorous liberal arts education. School for Advanced Studies provides a uniquely supportive transition between secondary and post-secondary education.

School for Advanced Studies, located on five campuses of Miami Dade College, is part of the Miami-Dade County Public Schools district, the third largest school district in the United States. Located at the southern end of the Florida peninsula, the reach of SAS stretches over 2,000 square miles of diverse and vibrant communities ranging from rural and suburban to urban cities and municipalities.

Our high school faculty is comprised of dedicated and growth mindset-oriented professionals who understand the value of life-long learning: 76% hold advanced degrees and 20% hold doctoral degrees. MDC college faculty holds advanced degrees in the discipline in which they teach.

Special Program Note: SAS takes pride in being able to provide students throughout Miami-Dade County access to advanced academics at one of our five locations. Many of our students rely on transportation to get to and from school each day. This results in many encountering a long and grueling day of high school and college classes. A typical day at SAS can start at a designated bus stop or train station at 5:30 a.m. and end as late as 10:00 p.m. due to college class schedule or community service commitments.

Graduation Requirements

Graduation from the School for Advanced Studies requires 24 credits and 100 hours of community service.

District Grading Scale 4.0

Honors/AP/DE Courses	
A – Outstanding Progress	3.5 – 4.0
B – Above Average Progress	2.5 – 3.49
C – Average Progress	1.5 – 2.49
D – Lowest Acceptable Progress	1.0 – 1.49
F – Failure	0.99 and below

Added Value Bonus Points for Honors/AP/DE

AP/DE	HONORS
A = 4 + 2 Bonus Points (BP)	A = 4 + 1 BP
B = 3 + 2 Bonus Points (BP)	B = 3 + 1 BP
C = 2 + 1 Bonus Points (BP)	C = 2 + 1 BP

Since SAS is an 11th-12th grade program, previous student exposure to rigorous curriculum offerings at their previous schools may vary between students. Therefore, student percentile does not accurately capture student rankings. Students at SAS would have ranked in the upper quartile had they chosen to remain in their designated boundary school.

Miami-Dade Public Schools does not rank students.

Special Note: Miami-Dade County Public Schools issue a single official high school transcript for each student, which includes all high school coursework completed, regardless of the schools previously attended. Therefore, all high school courses are reflected on the official School for Advanced Studies transcript.

Curriculum

- SAS Curriculum: Advanced Placement (AP), Honors and Dual Enrollment Courses
- AP Enrollment Policy: Mandatory
- AP Courses Offered:
 - AP United States History, AP American Government, AP Macroeconomics, AP English Language and Composition, AP English Literature and Composition, AP Precalculus and AP Calculus AB
 - Optional Courses: AP Calculus BC (Wolfson & Kendall only), AP Physics C: Mechanics (Kendall only), and AP Computer Science A (North only)
- College Course Offerings: 300+
- Student College Course Load: Minimum of 3 and maximum of 4-5 college courses per semester
- College Credits Earned Per Year: 24-30
- College Program Focus: 65% STEM Cohort

Note: All science courses are offered through Miami Dade College.

Extracurricular Activities

SAS Students are afforded the opportunity to join and participate in clubs and organizations from both SAS and Miami Dade College. Each SAS campus has different clubs available to students, but all campuses have the following:

- National Honor Society
- English Honor Society
- Student Government Association
- Mathematics/Mu Alpha Theta/Coding
- Literary Magazine
- Performing/Fine Arts
- GSA/Spectrum/Care
- Rho Kappa/Model UN/Mock Trial
- Science Honor Society/SECME
- Environmental/Earth/Go Green

Homestead Campus	Kendall Campus	North Campus	West Campus	Wolfson Campus
Black Student Union	Career Quest	Black Student Union	FBLA	Best Buddies
Culinary Arts Club	Chess Club	CARE	Game Club	Career Clubs
FEA – Book Club	DECA	Entertainment Club	Green Club	DECA
HOSA	FEA – STAND	First Priority Club	HOSA	Feeding South Florida
