Free and Open

Students

Are you a student looking to study mathematics on your own, and want to do exercises with immediate feedback as you work through a free and open textbook? Then read more about our self study courses.

Instructors

Are you an instructor who wants to adopt an open textbook, who feels online interactive homework is valuable, but doesn't want their students to have to pay an additional fee? Then read more about using MyOpenMath in the classroom.

Getting Started

If you already have an account, you can log on using the box to the right.

If you are a new student to the system, register as a new student.

If you are an instructor, you can request an instructor account.

4. Look for the assignment labeled "Pre-Calculus Summer Assignment 2026".
5. Carefully work on the assignment, label all questions, mark the questions and material you do not know how to do, those you have incorrect, and those problems you might need additional clarification on.
6. The deadline to complete this assignment on **My Open Math** is August 11th, 2026, at 11:59 PM. After August 11th, you will not be able to submit answers on **My Open Math** and your overall grade will be your final score on August 11th. Your work on the questions will be collected on the first day of your mathematics class. Make sure you have a single PDF with all your work ready to upload. If work is not properly submitted, then your overall score will drop to an F.
